SENATOR QUALITY TOOLING

DATA SHEET

Medium Pile Roller Sleeve, 9"

The ideal multi-purpose product suited to keeping your roller working at an optimum level. Medium pile rollers are suitable for smooth surfaces and emulsion paint.

Features and Benefits

- Microfiber and polyester mix provides excellent paint pick-up and lay-off
- Fabric thermo-bonded to the roller core for solvent resistance
- Flagged fabric reduces paint splatter
- Length: 9" (230mm)
- Core diameter: 38mm

Typical Applications

- Painters and Decorators
- DIY

Note.
Available in multiple sizes to meet your requirements.
To fit SEN-533-4400K or -4420K, 230mm bird cage pattern roller frame (sold separately).
