SENATOR QUALITY TOOLING

DATA SHEET

Paint Roller Set, 9" - 3 Pieces

This comprehensive roller set is the ideal product to get you decorating quickly. Suitable for indoor use on smooth surfaces, the roller head can be replaced when it is no longer fit for purpose. Comprising of a birdcage paint roller, medium pile refill and plastic paint tray.

Features and Benefits

- Three piece set includes everything you'll need to get painting
- Paint tray is manufactured from a durable plastic that is resistant to corrosion and general wear and tear
- Roller can be replaced when worn down (replacements available to purchase separately)

Typical Applications

- Ideal for use when painting on smooth, indoor surfaces

Note.
For 230mm sleeve refills please see SEN-533-4310K or SEN-533-4320K.
