STD TAPPING & DRILLING - NON SOLUBLE FOAM, 400ml

It can easily be used on yellow metals without the risk of staining. The foam aerosol rapidly penetrates and is able to cling to normally inaccessible areas and moving cutting edges, extending tool life and metal removal rates with high anti-weld features.
A must for all metal-workers and service engineers.

Features and Benefits

- High anti-weld features
- Extends tool life and metal removal rates
- Reduces heat and improves surface finish
- Non-soluble fast drying and low odour formula

Typical Applications

- Sawing
- Tapping
- Drilling
