SOLENT™ CLEANING & HYGIENE

DATA SHEET

Cool Gel™ Hand Sanitiser - 500ml

SOL-780-2652G

Cool Gel™ is an alcohol based hand sanitiser, ideal to keep your hands clean without the use of water or towels.

Features and Benefits:

- Formulated to spread easily across the skin for maximum efficiency
- Instantly kills any bacteria, MRSA, yeast or moulds that may be present
- Fast drying to remove the need of rinsing or drying hands with a towel
- Fragrance free
- Ideal for use where hand washing alone may not be sufficient or areas where it's of great importance to keep hands completely free from germs such as hospitals, shared work spaces, toilets and food handling industries
- Suitable for everyday, daily use
- BS EN 126
- BS EN 13727

Note:

Other sizes: 80ml, 2, 5, 10 and 25L - pump, pouch and bottle format.
Safety Data Sheet available on line.
