DATA SHEET

Aerosol Leak Detector Spray - 400ml SOL-732-0340K

SL1-400A

Designed specifically to identify even the smallest gaseous leaks.

Features and Benefits

- Fast and easy to apply
- Suitable for use with most common industrial gases such as compressed air, acetylene, butane etc.
- Not recommended for use on medical equipment

Note

This leak detector spray applies a thin uniform film of surface active agents which accurately identify any leak or bleeding of joints. Bubbles in the applied film indicate the location of the leak.
