Product Code: SPR5673320K
Brand : Kennedy

Spare Lock & Key For 36" Kennedy Roller Cabinet

Product Information :

Replace a broken or worn cabinet or chest lock with a lock and key set from Kennedy®. Designed for strength and compatible with a wide range of Kennedy® storage cabinets and tool chests, maintain your security with a replacement lock instead of spending on a replacement unit.

Features and Benefits
- Plastic handle for a good gripping surface
- Clearly marked for easy identification
- Supplied in pairs for a spare key in case of loss
- Easy to replace the lock with a secure bolt fixing

Typical Applications
- Compatible with a wide range of Kennedy® tool cabinets and chests
