Anti-Fatigue Knee Saver Mat

SSF-946-4650R

A great alternative to knee pads, this anti-fatigue mat reduces fatigue, stress, and discomfort.

- Material: PVC/Nitrile
- Colour: Black
- Dimensions (L x W): 53cm x 36cm
- Thickness: 25mm
- Reduces knee pain and lower back stress caused by regular kneeling
- Resistant to oils and chemicals for use in a wide range of environments
- Provides staff with a more comfortable environment
- Encourages increased efficiency, concentration, and productivity
- Ideal for kneeling tasks (e.g. floor fitting), these pads also adapt to standing to protect the lower legs, feet, and back against the effects of standing on a hard floor for prolonged periods
