Anti-Fatigue Matting

SSF-946-6760P

Durable mat, manufactured from hardwearing natural rubber.

- Material: SBR rubber
- Colour: Black
- Surface finish: Ribbed
- Dimensions (L x W): 250cm x 90cm
- Thickness: 3mm
- Offers effective slip-resistance
- Provides insulation from cold concrete floors
- Can also be used on workbenches to prevent component damage

Standing on a hard floor for prolonged periods without anti-fatigue matting can cause pain and discomfort in the lower legs, feet and back. Fatigue reduces concentration and therefore productivity. Anti-fatigue matting will increase comfort and productivity for workers who stand for long periods and substantially reduces stress, tiredness, aches and pains from standing on hard floors at work. Introducing anti-fatigue matting into the workplace can provide staff with a more comfortable environment, which in turn encourages increased efficiency, concentration and productivity.
