'Floorline' Anti-Slip Matting

SSF-946-7040K

Light, comfortable and economical matting, insulated against cold floors, ideal to reduce standing fatigue and provide excellent slip resistance.

- Material: PVC
- Colour: Red
- Surface finish: Cross ribbed
- Dimensions (L x W): 120cm x 90cm
- Thickness: 6mm
- Suitable for areas where occasional spillage may occur
- DIN 51130 R11

All 'Floorline' Anti-Slip Mattings:
