DATA SHEET

Anti-Fatigue Work Mat

SSF-946-8460F

Designed to cushion hard floors.

- Material: SBR rubber
- Colour: Black
- Surface finish: Open holes
- Dimensions (L x W): 150cm x 90cm
- Thickness: 10mm
- Moulded beveled edge to reduce tripping and improve safety
- Raised circular surface for superior slip resistance
- Suitable for wet conditions

Standing on a hard floor for prolonged periods without anti-fatigue matting can cause pain and discomfort in the lower legs, feet and back. Fatigue reduces concentration and therefore productivity. Anti-fatigue matting will increase comfort and productivity for workers who stand for long periods and substantially reduces stress, tiredness, aches and pains from standing on hard floors at work. Introducing anti-fatigue matting into the workplace can provide staff with a more comfortable environment, which in turn encourages increased efficiency, concentration and productivity.
