CONTRACTORS COTTON CHROME GLOVES

These good quality rigger gloves are an excellent choice for minimal risk applications including general handling. The chrome leather palms are extended over the entire thumb to protect against minor abrasion injuries, like scratches and blisters.

Features and Benefits

- Excellent durability and abrasion resistance, ideal for construction and outdoor manual work
- Breathable cotton back keeps hands comfortable during prolonged wear
- Knitwrist cuff style for maximum comfort
- Chrome leather coating covers the entire thumb for added protection on this vulnerable wear point

Standards

- EN ISO 20420:2020

CE

Coating	Leather
Liner Material	Cotton
Colour	White
Size	10
Glove Type	Rigger Gloves
