FOURCHETTE GENERAL HANDLING GLOVES

These Category I gloves are a blend of cotton and polyester for a breathable and flexible solution to general handling. Designed for a close fit, these gloves offer excellent dexterity, making them perfect for light handling and assembly tasks.

Features and Benefits

- These gloves offer a comfortable barrier that helps prevent fingerprints, smudges, and direct skin contact
- Interlock cotton liner is durable and absorbent, providing comfort and protection from light contact irritants
- Uncoated design maximises breathability and tactile sensitivity, ideal for dry, low-risk handling tasks
- Sewn wrists for a comfortable fit
- Fourchette style fingers and inset thumb provide increased comfort and enhanced fit
- Supplied in packs of 12

Standard

- EN ISO 21420:2020
- CE CAT I
