

## Portable SSDs

# ESD330C Portable SSD

The ESD330C is Transcend's miniature portable SSD that delivers a lightning-fast transfer rate of 10 Gbps and a generous storage capacity of up to 2TB, allowing you to transfer vast amounts of files in the blink of an eye. With a retractable USB Type-C connector, the ESD330C is a convenient and efficient external storage option that you won't want to miss out on!

## 10Gbps Blistering Speeds

Transcend's ESD330C portable SSD features a super-fast 10Gbps transfer rate and cutting-edge SLC Cache technology, delivering blazing R/W speeds of up to 1050/950 MB/s. With such competitive performance, this small drive makes large file transfers virtually hassle-free, effectively giving you the power of a mini SSD in the palm of your hand! The ESD330C is also backward compatible with USB 2.0 & 3.0 devices, allowing for greater accessibility and ease-of-use.

\*Speed may vary due to host hardware, software, usage, and storage capacity.

## Classic Design, Always Dependable.

The ESD330C is built with high-quality alloy that is incredibly durable, keeping your data safe and intact wherever you go. An integrated lanyard hole allows for more attachment options. The built-in ECC functionality also provides enhanced stability for data storage.

## Retractable USB-C Connector For Cable-Free Convenience

The ESD330C comes with a retractable USB Type-C connector, protecting it from damage while also making it convenient to carry. Just plug it into the Type-C port on your devices and enjoy fast file transfers, no cable needed!

## Portable SSDs

# ESD330C Portable SSD

## Features

- 3D NAND flash
- Hardware-based 256-bit AES encryption secures your data
- Suitable for desktop, laptop computers, OTG mobile devices and gaming consoles

**Transcend**

**Transcend Elite**

Transcend Elite is a data management software for external hard drives, USB flash drives and portable SSD products.

**Transcend Elite App**

Transcend Elite App is designed to work with Transcend's JetFlash USB OTG flash drives, OTG card readers, and portable SSDs.

## Specifications

### Appearance

|            |                                                    |
|------------|----------------------------------------------------|
| Dimensions | 64.1 mm x 19.7 mm x 9.5 mm (2.52" x 0.78" x 0.37") |
| Weight     | 23 g (0.81 oz)                                     |
| Color      | Dark Grayish Brown                                 |

### Interface

|                      |            |
|----------------------|------------|
| USB Type             | USB Type-C |
| Connection Interface | USB 10Gbps |

### Storage

|            |                      |
|------------|----------------------|
| Flash Type | 3D NAND flash        |
| Capacity   | 512 GB / 1 TB / 2 TB |

### Operating Environment

|                       |                           |
|-----------------------|---------------------------|
| Operating Temperature | 0°C (32°F) ~ 60°C (140°F) |
| Operating Voltage     | 5V±5%                     |

### Performance

|                    |                  |
|--------------------|------------------|
| Read Speed (Max.)  | Up to 1,050 MB/s |
| Write Speed (Max.) | Up to 950 MB/s   |

### Warranty

|             |                                         |
|-------------|-----------------------------------------|
| Certificate | CE / UKCA / FCC / BSMI / KC / EAC / RCM |
| Warranty    | Five-year Limited Warranty              |

## Ordering Information
