DATA SHEET

Product Code: TRQ5576900K
Brand : Tri Torq

TRI-TORQ 1/2" SQ. DR. TORQUE WRENCH 40-200Nm

Product Information :

Manufactured from high-quality satin finish steel with a polished steel head, this unique triangular design linear torque wrench is suited for accurate and professional use. Supplied with a fully traceable calibration certificate and robust storage case, the desired torque value can be set and is displayed in the torque windows on the handle. The classic 'click sound' notifies the user when pre-set torque has been reached.

Features and Benefits
- Manufactured from high-quality steel for durability
- Available in a variety of sizes and specifications to suit your requirements
- 'Click' sound alerts the user as to when the desired torque has been reached
- Has an easy setting action to allow you to set the exact torque required
- Supplied in a robust carry case to protect your tool

Typical Applications
- Automotive
- Engineering
- DIY
- Plumbing

Standards
- Conforms to ISO 6789-2:2017
- Conforms to Federal GGG-W-686

EAN Code - 5036140000988

PRODUCT ATTRIBUTES

Accuracy	- ±4%
Drive Shape	- Square
Drive Size	- 1/2in.
Graduations	- 10Nm
Includes	- Traceable Calibration Certificate
Includes	- Moulded Storage Case
MFR Part No.	- FXL200
Overall Length	- 530mm
Series	- FXL
Torque Range	- 40 to 200Nm
Torque Wrench Type	- Ratchet
Torque Wrench Type	- Adjustable
Torque Wrench Type	- Reversible
