DATA SHEET

Product Code: YML1200028W
Brand : Yamaloy

APXT(APKT) 1003PDR-EM INSERT GRADE QP30P

Product Information :

APXT(APKT) 85° parallelogram milling inserts feature a PVD coated substrate ideal for milling steel and stainless steel.

Features and Benefits
• PVD coating for improved heat and wear resistance
• (P10-P35) grade ideal for milling steels and some stainless steels

Typical Applications
• Milling
• Steel
• Stainless steel

Standards
• Insert Grade QP30P
(P10-P35)

EAN Code - 5036140038783
