DATA SHEET

Heavy-Duty Site Tool Box - 470mm

With all metal construction, this heavy-duty toolbox is ideal for professional use on job sites. With a yellow epoxy powder coated finish, soft grip carrying handle and lightweight design, the products are available in two sizes to suit your requirements. There is a tote tray for smaller or more frequently used items. Fitted with heavy-duty metal latches designed to stay closed even when in transit.

Features and Benefits

- Heavy duty metal latches protect and secure your tools as well as the padlock eye*
- 'V' groove on the old allows for measuring and cutting short lengths of pipes or wood materials
- Black plastic over-riders add durability to the product and help to prevent damage to the most common areas of wear
- Soft grip carry handle allows for ease of transportation
- Dimensions (LxWxH): 470mm x 238mm x 178mm
- Weight: 1.8Kg

Typical Applications

- Construction Sites
- Electricians
- Plumbers
- DIY

Note

*Padlock not included.
