

8740 C HF 1 Zyklop bit socket set with 1/2" drive, with holding function, 9 pieces

Zyklop Accessories, 1/2"

EAN:	4013288184283	Size:	165x140x60 mm
Part number:	05004201001	Weight:	1129 g
Article number:	8740 C HF 1	Country of origin:	CZ
		Customs tariff number:	82079030

- Compact textile box with high robustness, low weight and volume
- Bit socket (non-impact) for manual or power tool operations
- For hexagonal socket head screws
- With Take it easy tool finder: colour coding by size
- Knurling on lower socket end for more grip when used manually

Bit socket set, hexagon socket, with holding function for particularly convenient screwdriving with reduced risk of losing the screw when addressing the workpiece.

Take it easy tool finder system

Take it easy tool finder system - with profile and size colour-coding for quick and easy tool selection. Colour-coded system for hexagon drive screws (L-Keys, Zyklop bit sockets), external hex drive screws and nuts (Joker wrenches, Zyklop sockets and Zyklop bit sockets with holding function), and TORX® drive screws (L-Keys, Zyklop bit sockets).

Secure hold and easy removal

The all new smooth turning mechanism guarantees both secure and rattle-free storage, yet allows easy removal of the tool.

Manual and machine sockets

The manual and machine sockets can be used both for hand and power tools use (non-impact). Users need just one socket set for all applications.

Bit sockets with retaining function for hexagon socket screws

The clamping of the screw is achieved by a flexible locking ball. The holding function is especially helpful in confined, hard-to-reach spaces, where there is no room for a second hand to secure the screw.
