

Wheel Impaktor C Set 1 Socket set, 1/2" drive, 3 pieces

Zyklop Accessories, 1/2"

EAN: 4013288210760
Part number: 05004595001
Article number: Wheel Impaktor C Set 1

Size: 115x105x35 mm
Weight: 731 g
Country of origin: TW
Customs tariff number: 82042000

- For use with electric or pneumatic impact wrenches with 12.5mm = 1/2" drive
- Robust Impaktor design for extremely high stresses
- Smooth outer plastic sleeve to protect the rim when changing wheels
- Internal plastic insert to protect the wheel bolt surface
- Hexagon profile allows precise and profile-friendly screwdriving with high power transmission
- With Take it easy tool finder: colour coding by size

Three 1/2" Impaktor socket wrench plug-ins, for use with impact wrenches; with rotating smooth plastic sleeve for higher working speed and additional rim protection. Internal plastic insert to protect the wheel bolt surface.

Impact wrench proof

The Wheel Impaktor sockets are designed for use with electric or pneumatic impact wrenches due to their robust Impaktor technology.

Smooth plastic sleeve

The rotating plastic sleeve allows for higher control during screwdriving. In addition, the surface of the rim is protected. The plastic sleeves are interchangeable.

Protection for wheel bolts

The internal plastic insert protects the surfaces of the wheel bolts.

Profile-friendly power transmission

The hexagon profile offers the transmission of high forces and loads the edges of the bolt or the screw head less than a double hexagon profile. Fine-toothed ratchets also make use of a double hexagon profile superfluous, even in confined spaces, thanks to their small return angle.

Take it easy tool finder system

Take it easy tool finder system - with profile and size colour-coding for quick and easy tool selection. Colour-coded system for hexagon drive screws (L-Keys, Zyklop bit sockets), external hex drive screws and nuts (Joker wrenches, Zyklop sockets and Zyklop bit sockets with holding function), and TORX® drive screws (L-Keys, Zyklop bit sockets).
