## APC Easy UPS, 800VA, Floor/Wall Mount, 230V, 4x Universal outlets, AVR

BV800I-MST

### Overview

|           |                  |
|-----------|------------------|
| Lead time | Usually in Stock |
|-----------|------------------|

### Main

|                           |                                    |
|---------------------------|------------------------------------|
| Main Input Voltage        | 230 V                              |
| Main Output Voltage       | 230 V                              |
| Rated power in W          | 480 W                              |
| rated power in VA         | 800 VA                             |
| Product or component type | Uninterruptible power supply (UPS) |
| Input Connection Type     | NEMA 5-15P                         |
| output connection type    | 4 universal receptacle             |
| Cable length              | 1.5 m                              |
| Number of cables          | 1                                  |
| Battery type              | Lead-acid battery                  |
| Provided equipment        | User manual                        |
| Range of product          | Easy UPS                           |

### Batteries & Runtime

|                                |                                       |
|--------------------------------|---------------------------------------|
| ประสิทธิภาพ                    | <a href="#">View Efficiency Graph</a> |
| Number of battery filled slots | 0                                     |
| Number of battery free slots   | 0                                     |
| Battery recharge time          | 8 h                                   |
| Battery life                   | 3...5 year(s)                         |
| Extended runtime               | 0                                     |

### General

|                                     |    |
|-------------------------------------|----|
| Number of power module free slots   | 0  |
| Number of power module filled slots | 0  |
| Redundant                           | No |
| UPS size                            | WS |

### Physical

|        |       |
|--------|-------|
| Colour | Black |
|--------|-------|

การละสิทธิ์: เอกสารนี้ไม่มีวัตถุประสงค์เพื่อใช้แทน หรือใช้เพื่อกำหนดความเหมาะสม หรือความน่าเชื่อถือของผลิตภัณฑ์เหล่านี้สำหรับการใช้งานเฉพาะทาง

|                     |                    |
|---------------------|--------------------|
| Height              | 9.2 cm             |
| Width               | 16.1 cm            |
| Depth               | 30.5 cm            |
| Net weight          | 5.3 kg             |
| Mounting preference | No preference      |
| Mounting mode       | Not rack-mountable |
| Two post mountable  | 0                  |
| USB compatible      | No                 |

## Input

|                      |                                |
|----------------------|--------------------------------|
| Network frequency    | 50/60 Hz +/- 5 Hz auto-sensing |
| Input voltage limits | 170...280 V                    |

## Output

|                                  |                                     |
|----------------------------------|-------------------------------------|
| Maximum configurable power in W  | 480 W                               |
| Output frequency                 | 50/60 Hz +/- 1 Hz unsynchronised    |
| UPS type                         | Line interactive                    |
| Wave type                        | Stepped approximation to a sinewave |
| Graph display                    | 1                                   |
| Maximum configurable power in VA | 800 VA                              |
| Transfer time                    | 6 ms typical : 10 ms maximum        |

## Conformance

|                        |                                                                                    |
|------------------------|------------------------------------------------------------------------------------|
| Product certifications | CE<br>TISI                                                                         |
| Standards              | EN/IEC 62040-1:2019/A11:2021<br>EN/IEC 62040-2:2006/AC:2006<br>EN/IEC 62040-2:2018 |

## Environmental

|                                       |                                   |
|---------------------------------------|-----------------------------------|
| Ambient air temperature for operation | 0...40 °C                         |
| Relative humidity                     | 0...90 %                          |
| Operating altitude                    | 0...6667 ft                       |
| Ambient air temperature for storage   | -20...50 °C                       |
| Storage Relative Humidity             | 0...90 %                          |
| Storage altitude                      | 0.0000000000...15240.0000000000 m |
| Acoustic level                        | 40 dBA                            |
| IP degree of protection               | IP20                              |

## Communications & Management

|       |                                                                                        |
|-------|----------------------------------------------------------------------------------------|
| Alarm | Alarm when on battery : distinctive low battery alarm : overload continuous tone alarm |
|-------|----------------------------------------------------------------------------------------|

## Surge Protection and Filtering

|                   |       |
|-------------------|-------|
| Surge energy rate | 156 J |
|-------------------|-------|

## Packing Units

|                              |                |
|------------------------------|----------------|
| Unit Type of Package 1       | PCE            |
| Number of Units in Package 1 | 1              |
| Package 1 Height             | 23.7 cm        |
| Package 1 Width              | 37.3 cm        |
| Package 1 Length             | 14.3 cm        |
| Package 1 Weight             | 5.6 kg         |
| SCC14                        | 10731304346859 |

## Contractual warranty

|          |                           |
|----------|---------------------------|
| Warranty | 2 years repair or replace |
|----------|---------------------------|

ชไนเดอร์ อิเล็คทริคมีเป้าหมายที่จะบรรลุสถานะ Net Zero ภายในปี 2050 ด้วยความร่วมมือในห่วงโซ่อุปทาน วัสดุที่มีผลกระทบต่ำลง และการหมุนเวียนผ่านแคมเปญ "Use Better, Use Longer, Use Again" เพื่อยืดอายุการใช้งานของผลิตภัณฑ์และการนำกลับมาใช้ใหม่

Environmental Data คืออะไร >
