CASIO's new Colorful Calculators series invites you to select your personal favorite from a wide range of color variations.

La nueva serie de calculadoras de colores Casio le invita a seleccionar su calculadora favorita a partir de una amplia gama de colores.

# ONE TONE

UN SOLO TONO

The single-tone design with its high-impact single colors adds to the fun of choosing your color.

El diseño de Un solo tono en un mismo color totalmente impactante añade otro disfrute a la selección de su color.

# DESIGN

DISEÑO

## Form

The rounding of the case includes the underside as well as the upper body, so you can hold it comfortably in your hand.

## Forma

Gracias a las esquinas redondeadas de la caja tanto en la parte inferior como en la parte superior del cuerpo, puede sostenerla cómodamente en su mano.

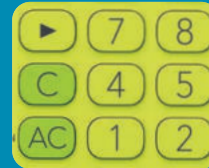

## Keys

The flat key shapes are artfully coordinated with the casually rounded case design.

## Teclas

Las teclas planas se combinan ingeniosamente con el diseño de la caja con esquinas sutilmente redondeadas.

## Font

Large, thin-lined characters inscribed in a beautifully supple font and adjusted to the key top sizes project an informal impression.

## Tipo de letra

Los caracteres grandes de líneas finas grabados en un tipo de letra maravillosamente flexible, se adaptan a los tamaños de las teclas y transmiten un estilo informal.
