■ BX230 Tool chest Dimensions

The unwasted specification calculated to the detail

■ Ball bearing type
Double rail

Using double ball bearing type for smooth to opening and closing the drawer, making it ideal for storing heavy items.

■ Lock mechanism

Drawer locks automatically when the upper lid is closed. With pop-out prevention lock mechanism.

■ The side handle

Side handle fits, just pull as you need for carrying handle.

■ Emblem

The reliable TONE mark is also made of high quality metal with a strong presence.

■ Keylock

The security is perfect with key lock!
And totally hard to break.

■ The top cover part is reinforced

Added reinforcement to the inside of the top cover. Deflection and distortion are eliminated, and the impact strength is also increased!
