4TR-24	24	32.5	30.2	32	15.2	22.0	10	6	130

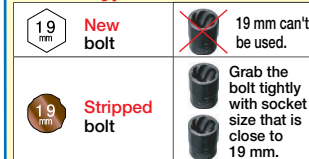

Trouble with loosening bolts? This is your tool in need!

Even with super stripped bolts/nuts, this tornado socket will make it possible!

Make sure the product matches to bolt's type and size!

Since the suitable size of socket depends on how stripped the bolt is, we recommend "Holder Set".
