

Two types of use: straight & swing! Bit interchangeable, making the tool long lifespan!

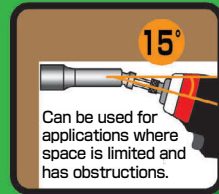

Straight

Straightly
insert the bit.

Swing

Pull out the bit
then insert it
diagonally.

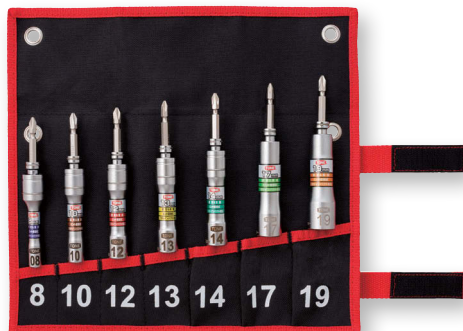

- Ideal for construction and mold hardware's assembly and dismantling operation.
- Ideal for fastening and loosening bolts and nuts.
- Bit interchangeable, making the tool long lifespan!
- Double end bits can be used.
- Two types of use: straight & swing!
- Can be used at narrow place like corner.
- User friendly with bigger size indicator & color coding.
- Compatible with 18V rechargeable impact wrench (also support for 14.4V)

**Lifespan for
the socket.
Replace
the bit only!**
